

Rivanna Natural Designs creates and distributes awards, plaques, and corporate gifts made from organic or recycled materials and FSC-certified, sustainably harvested woods. Founded in 2001, we are a leading U.S. provider of environmentally responsible gifts and awards, with clients in over 40 states. We work extensively with federal, state, and local governments as well as major corporations, non-governmental organizations, and academic institutions.

ECO FRIENDLY PRODUCTS AND SERVICES

Rivanna offers an array of products and services for recognition events and corporate giving:
